

Newsletter

Dear customers and business partners,
Communication is important. We have therefore created a new proactive information platform. Today, you receive the first LUG Newsletter. We shall use this medium to showcase developments in our company on a regular basis.
To start with we are sending the newsletter to one contact per

company in our address file. If you wish to add further persons from your firm, please, send us an email. If you wish to be deleted from the distribution list, let us know. We shall do so immediately.

We look forward to your feedback!
Best regards
Yours, LUG

Christmas is coming! We notice it at our ramps!

- To cope with the seasonal volume increase **additional staff** from our security firm now supports our ramp management. We are thus able to handle the trucks more speedily.
- Furthermore we have recently opened an **additional counter** for BUPs and small shipments in our Customer Service Center to speed up the handling of such consignments.
