Dear customers and
business partners,

Today you receive the 2. edition
of the LUG Newsletter.

We would like to thank you for the
positive feedback we have
received to our first newsletter
and we are happy to learn that
this form of communication meets
your approval.

As promised we will inform you on
a regular basis about current
news from LUG.

Your feedback is always highly
appreciated!

Best regards
Yours, LUG

We create space!

- Since last week we have **13 additional, experienced staff** on our payroll building pallets
- This brings the total number of **new jobs created in 2013 to 160**, a record for LUG!
- Furthermore we were now able to bring into service our **new short-time parking area for trucks**. This enables us to further improve the traffic management in our grounds and relieve the pressure on the limited infrastructure available in the CargoCity South.

Edition 2-2013—week 48
