

Newsletter

Dear customers and business partners,

Gradually, the Christmas trade moves to the final stage and we hope that despite the high freight volumes you are able to enjoy the seasonal amenities.

In our 4. newsletter we can introduce some further measures and novelties at LUG. We wish you a pleasant second week of the advent season.

Best regards
Yours, LUG

Moving forward!

 We have invested in **additional forklift- and articulated trucks**. These have been in operation in our facility at Frankfurt airport since last week. We are thus able to further raise our productivity and handle your cargo even faster.

 Further, we have re-organized the cargo acceptance to speed up our processes. We have created **dedicated teams** for checking the cargo on arrival into our IT system and moving it then into the warehouse.
