

Newsletter

Dear customers and business partners,

It's already the third week of the advent season and the Christmas Holidays are just around the corner.

It's obvious for us judging from a considerable decline of freight volume.

We hope that this break gives you time to breathe and we would like to thank you for your patience in the last couple of tough weeks

For 2014 we have a lot of plans and we will keep you informed.

Kind regards
Yours, LUG

Our colleague of the month:

We would like to use this week's newsletter to present to you the colleague who takes care of your enquiries with intensified dedication. The Email-correspondence on his desk has been multiplied in the last weeks and you may have been in contact with him already:

Sven O. Kaufmann, Junior Manager Sales and Customer Service, started work with LUG in August 2013. He has 13 years of knowledge in various positions of the aircargo business. Your concern —regardless of which part of airfreight handling it comes — is therefore in good hands.
